The target beast travels for the duration toward the specified location, covering about 50 miles per 24 hours for a flying messenger, or 25 miles for other animals. ## ANIMAL SHAPES

Lv 8

Range **30 ft**  
Duration **24 hours**  
Casting Time **1 action**

Your allies shift their forms into ferocious beasts

Your magic turns others into beasts. Choose any number of willing creatures that you can see within range. You transform each target into the form of a Large or smaller beast with a challenge rating of 4 or lower. On subsequent turns, you can use your action to transform affected creatures into new forms. A target's game statistics are replaced by the statistics of the chosen beast, though the target retains its alignment and Intelligence, Wisdom, and Charisma scores. The target assumes the hit points of its new form, and when it reverts to its normal form, it returns to the number of hit points it had before it transformed. If it reverts as a result of dropping to 0 hit points, any excess damage carries over to its normal form. The target can't activate, wield, or otherwise benefit from any of its equipment nor speak or cast spells.

## ASTRAL PROJECTION Lv 9

Range 10 ft  
Duration Special  
Casting Time 1 hour

You and your allies travel to the planes of higher existence

You and up to eight willing creatures within range project your astral bodies into the Astral Plane. The material body you leave behind is unconscious and in a state of suspended animation; it doesn't need food or air and doesn't age. The spell ends for you and your companions when you use your action to dismiss it. When the spell ends, the affected creature returns to its physical body, and it awakens. A successful dispel magic spell used against an astral or physical body ends the spell for that creature. If a creature's original body or its astral form drops to 0 hit points, the spell ends for that creature. You contact your deity or a divine proxy and ask up to three questions that can be answered with a yes or no. You must ask your questions before the spell ends. You receive a correct answer for each question.

Divine beings aren't necessarily omniscient, so you might receive "unclear" as an answer if a question pertains to information that lies beyond the deity's knowledge. In a case where a one word answer could be misleading or contrary to the deity's interests, the GM might offer a short phrase as an answer instead.

If you cast the spell two or more times before finishing your next long rest, there is a cumulative 25 percent chance for each casting after the first that you get no answer. The GM makes this roll in secret.

## COMMUNE WITH NATURE Lv 5

Range	<b>Self</b>	Wizard Bard Cleric Druid Sorcerer Warlock Ranger Paladin
Duration	<b>Instant</b>	
Casting Time	<b>1 minute</b>	
		

You speak and the earth's response booms in your head

You briefly become one with nature and gain knowledge of the surrounding territory. In the outdoors, the spell gives you knowledge of the land within 3 miles of you. In caves and other natural underground settings, the radius is limited to 300 feet. The spell doesn't function where nature has been replaced by construction, such as in dungeons and towns.

You instantly gain knowledge of up to three facts of your choice about any of the following subjects as they relate to the area: terrain and bodies of water, prevalent plants, minerals, animals, or peoples, powerful celestials, fey, fiends, elementals, or undead, influence from other planes of existence, and buildings

## COMPELCTION

**Lv 4**

**Range** 30 ft  
**Duration** 1 minute  
**Casting Time** 1 action

Your very presence repels weak minded creatures

Creatures of your choice that you can see within range and that can hear you must make a Wisdom saving throw. A target automatically succeeds on this saving throw if it can't be charmed. On a failed save, a target is affected by this spell. Until the spell ends, you can use a bonus action on each of your turns to designate a direction that is horizontal to you. Each affected target must use as much of its movement as possible to move in that direction on its next turn. It can take its action before it moves. After moving in this way, it can make another Wisdom saving to try to end the effect.

A target isn't compelled to move into an obviously deadly hazard, such as a fire or pit, but it will provoke opportunity attacks to move in the designated direction. *PHB 224*

**Range** 90 ft  
**Duration** 1 minute  
**Casting Time** 1 action

Your magics wreak havoc on the mind of your target

This spell assaults and twists creatures' minds, spawning delusions and provoking uncontrolled action. Each creature in a 10 foot radius sphere centered on a point you choose within range must succeed on a Wisdom saving throw when you cast this spell or be affected by it.

An affected target can't take reactions and must roll a d10 at the start of each of its turns to determine its behavior for that turn. At the end of each of its turns, an affected target can make a Wisdom saving throw. If it succeeds, this effect ends for that target.

Focusing all your energies, your voice echos out to another plane of existence

You mentally contact some mysterious entity from another plane. When you cast this spell, make a DC 15 Intelligence saving throw. On a failure, you take 6d6 psychic damage and are insane until you finish a long rest. While insane, you can't take actions, can't understand what other creatures say, can't read, and speak only in gibberish. A greater restoration spell cast on you ends this effect.

On a successful save, you can ask the entity up to five questions. You must ask your questions before the spell ends. The GM answers each question with one word. If a one-word answer would be misleading, the GM might instead offer a short phrase as an answer.

**Casting Time** Bonus

Only the most devout can learn the language of the gods

You utter a divine word, imbued with the power that shaped the world at the dawn of creation. Choose any number of creatures you can see within range. Each creature that can hear you must make a Charisma saving throw. On a failed save, a creature suffers an effect based on its current hit points:

< 40 hit points: deafened and blinded for 10 minutes  
< 30 hit points: blinded, deafened, and stunned for 1 hour  
< 20 hit points: killed instantly

Regardless of its current hit points, a celestial, an elemental, a fey, or a fiend that fails its save is forced back to its plane of origin (if it isn't there already) and can't return to your current plane for 24 hours by any means short of a wish spell.

## DRAWMIJ'S INSTANT SUMMONS

Lv 6

**Range** Touch  
**Duration** Until dispelled  
**Casting Time** 1 minute

Always be prepared

You touch an object weighing 10 pounds or less whose longest dimension is 6 feet or less. The spell leaves an invisible mark on its surface and invisibly inscribes the name of the item on the sapphire you use as the material component. At any time thereafter, you can use your action to speak the item's name and crush the sapphire. The item instantly appears in your hand regardless of physical or planar distances, and the spell ends. If another creature is holding or carrying the item, crushing the sapphire doesn't transport the item to you, but instead you learn who the creature possessing the object is and roughly where that creature is located at that moment.

Dispel magic or a similar effect successfully applied to the sapphire ends this spell's effect.

An immobile, invisible, cube shaped prison composed of magical force springs into existence around an area you choose within range. The prison can be a cage or a solid box, as you choose. A prison in the shape of a cage can be up to 20 feet on a side and is made from 1/2 inch diameter bars spaced 1/2 inch apart. A prison in the shape of a box can be up to 10 feet on a side, creating a solid barrier that prevents any matter from passing through it and blocking any spells cast into or out from the area. When you cast the spell, any creature that is completely inside the cage's area is trapped. Where Leomund kept his skeletons

You hide a chest, and all its contents, on the Ethereal Plane. The chest can contain up to 12 cubic feet of nonliving material (3 feet by 2 feet by 2 feet). While the chest remains on the Ethereal Plane, you can use an action and touch the replica to recall the chest. It appears in an unoccupied space on the ground within 5 feet of you. You can send the chest back to the Ethereal Plane by using an action and touching both the chest and the replica.

After 60 days, there is a cumulative 5 percent chance per day that the spell's effect ends. ## LEVITATE Lv 2

Range	<b>60 ft</b>	Wizard Bard
Duration	<b>10 minutes</b>	Cleric Druid
Casting Time	<b>1 action</b>	Sorcerer Warlock Ranger Paladin

Your target begins to float off the ground

One creature or object of your choice that you can see within range rises vertically, up to 20 feet, and remains suspended there for the duration. The spell can levitate a target that weighs up to 500 pounds. An unwilling creature that succeeds on a Constitution saving throw is unaffected. The target can move only by pushing or pulling against a fixed object or surface within reach (such as a wall or a ceiling), which allows it to move as if it were climbing. You can change the target's altitude by up to 20 feet in either direction on your turn. If you are the target, you can move up or down as part of your move. Otherwise, you can use your action to move the target, which must remain within the spell's range. When the spell ends, the target floats gently to the ground if it is still aloft.

If you create a sound, its volume can range from a whisper to a scream. It can be your voice, someone else's voice, a lion's roar, a beating of drums, or any other sound you choose. The sound continues unabated throughout the duration, or you can make discrete sounds at different times before the spell ends.

*The power of your magic bends the surroundings to your will*

You make terrain in an area up to 1 mile square look, sound, smell, and even feel like some other sort of terrain. The terrain's general shape remains the same, however. Similarly, you can alter the appearance of structures, or add them where none are present. The illusion includes audible, visual, tactile, and olfactory elements, so it can turn clear ground into difficult terrain (or vice versa) or otherwise impede movement through the area. Any piece of the illusory terrain (such as a rock or stick) that is removed from the spell's area disappears immediately. Creatures with truesight can see through the illusion to the terrain's true form; however, all other elements of the illusion remain, so while the creature is aware of the illusion's presence, the creature can still physically interact with the illusion.

Each time a creature targets you with an attack during the spell's duration, roll a d20 to determine whether the attack instead targets one of your duplicates. If you have three duplicates, you must roll a 6 or higher to change the attack's target to a duplicate. With two duplicates, you must roll an 8 or higher. With one duplicate, you must roll an 11 or higher. A duplicate's AC equals 10 + your Dexterity modifier. If an attack hits a duplicate, the duplicate is destroyed. You attempt to reshape another creature's memories. Your target must make a Wisdom saving throw. If you are fighting the creature, it has advantage. On a failed save, the target becomes charmed and incapacitated, though it can hear you. If the spell ends or it takes damage, the spell ends and its memories are unaffected. While this lasts, you can affect the target's memory of an event the last 24 hours lasting no more than 10 minutes. A *remove curse* or *greater restoration* spell cast on the target restores the creature's true memory.

**At Higher Levels.** If you cast this spell using a spell slot of 6th level or higher, you can alter the target's memories of an event that took place up to 7 days ago (6th level), 30 days ago (7th level), 1 year ago (8th level), or any time in the creature's past (9th level). PHB 261\*

A silvery beam of pale light shines down in a 5ft wide, 40ft high cylinder centered on a point. When a creature enters the spell's area for the first time on a turn or starts its turn there, it is engulfed in ghostly flames and must make a Constitution saving throw. It takes 2d10 radiant damage on a failed save, or half damage on a successful one. A shapeshifter makes its saving throw with disadvantage. If it fails, it also instantly reverts to its original form and can't assume a different form until it leaves the spell's light. On each of your turns after you cast this spell, you can use an action to move the beam up to 60 feet in any direction.

When a Small or larger creature comes within 30ft of it without first speaking the password that you specify when you cast this spell, the hound starts barking loudly. The hound sees invisible creatures and can see into the Ethereal Plane. It ignores illusions. At the start of each of your turns, the hound attempts to bite one creature within 5ft of it that is hostile to you. The hound's attack bonus is equal to your spellcasting ability modifier + your proficiency bonus. On a hit, it deals 4d8 piercing damage.

With a touch, a creature's body begins to mend itself

You touch a creature and stimulate its natural healing ability. The target regains 4d8 + 15 hit points. For the duration of the spell, the target regains 1 hit point at the start of each of its turns (10 hit points each minute).

The target's severed body members (fingers, legs, tails, and so on), if any, are restored after 2 minutes. If you have the severed part and hold it to the stump, the spell instantaneously causes the limb to knit to the stump.

## REINCARNATE Lv 5

Range	<b>Touch</b>	Wizard Bard Cleric <b>Druid</b>
Duration	<b>Instant</b>	
Casting Time	<b>1 hour</b>	Sorcerer Warlock Ranger Paladin
		    1000gp*

*A second life is much better than no life*

You touch a dead humanoid or a piece of a dead humanoid. Provided that the creature has been dead no longer than 10 days, the spell forms a new adult body for it and then calls the soul to enter that body. If the target's soul isn't free or willing to do so, the spell fails. The magic fashions a new body for the creature to inhabit, which likely causes the creature's race to change. The GM rolls a d100 and consults the table to determine what form the creature takes when restored to life, or the GM chooses a form.

The reincarnated creature recalls its former life and experiences. It retains the capabilities it had in its original form, except it exchanges its original race for the new one and changes its racial traits accordingly.

## RESURRECTION Lv 7

Range	<b>Touch</b>	Wizard Bard Cleric <b>Druid</b>
Duration	<b>Instant</b>	
Casting Time	<b>1 hour</b>	Sorcerer Warlock Ranger Paladin
		    1000gp*

*Discount True Resurrection*

You touch a dead creature that has been dead for no more than a century, that didn't die of old age, and that isn't undead. If its soul is free and willing, the target returns to life with all its hit points. This spell doesn't remove magical diseases, curses, and the like. This spell closes all mortal wounds and restores any missing body parts.

The target takes a -4 penalty to all attack rolls, saving throws, and ability checks. Every time the target finishes a long rest, the penalty is reduced by 1 until it disappears.

After casting this spell to restore life to a creature that has been dead for one year or longer, you can't cast spells, and you have disadvantage on all attack rolls, ability checks, and saving throws until after a long rest

## ROPE TRICK Lv 2

Range	<b>Touch</b>	Wizard Bard Cleric <b>Druid</b>
Duration	<b>1 hour</b>	
Casting Time	<b>1 action</b>	Sorcerer Warlock Ranger Paladin
		   

*For when there's nowhere else to hide*

You touch a length of rope that is up to 60 feet long. One end of the rope then rises into the air until the whole rope hangs perpendicular to the ground. At the upper end of the rope, an invisible entrance opens to an extradimensional space that lasts until the spell ends. The extradimensional space can be reached by climbing to the top of the rope. The space can hold as many as eight Medium or smaller creatures. The rope can be pulled into the space, making the rope disappear from view outside the space.

Attacks and spells can't cross through the entrance into or out of the extradimensional space, but those inside can see out of it as if through a 3 foot by 5 foot window centered on the rope. Anything inside the extradimensional space drops out when the spell ends.

## REVERSE GRAVITY Lv 7

Range	<b>100 ft</b>	Wizard Bard Cleric <b>Druid</b>
Duration	<b>1 minute</b>	
Casting Time	<b>1 action</b>	Sorcerer Warlock Ranger Paladin
		   

*"I don't need a cliff to make something fall"*

This spell reverses gravity in a 50 foot radius, 100 foot high cylinder centered on a point within range. All creatures and objects that aren't somehow anchored to the ground in the area fall upward and reach the top of the area when you cast this spell. A creature can make a Dexterity saving throw to grab onto a fixed object it can reach, thus avoiding the fall. If some solid object (such as a ceiling) is encountered in this fall, falling objects and creatures strike it just as they would during a normal downward fall. If an object or creature reaches the top of the area without striking anything, it remains there, oscillating slightly, for the duration.

At the end of the duration, affected objects and creatures fall back down.

On a failed save, the creature must choose a new target or lose the attack or spell. This spell doesn't protect the warded creature from area effects, such as the explosion of a fireball.

If the warded creature makes an attack or casts a spell that affects an enemy creature, this spell ends.

## SCRUYING Lv 5

Range	Self	Wizard Bard Cleric Druid Sorcerer Warlock Ranger Paladin
Duration	10 minutes	Cleric Druid
Casting Time	10 minutes	Sorcerer Warlock

Allows you to monitor your enemies... or your friends

You can see and hear a particular creature you choose that is on the same plane of existence as you. The target must make a Wisdom saving throw, which is modified by how well you know the target and the sort of physical connection you have to it.

On a successful save you can't use this spell against it again for 24 hours. On a failed save, the spell creates an invisible sensor within 10 feet of the target. You can see and hear through the sensor as if you were there. The sensor moves with the target. Instead of targeting a creature, you can choose a location you have seen before as the target of this spell. When you do, the sensor appears at that location and doesn't move.

## SEE INVISIBILITY Lv 2

Range	Self	Wizard Bard Cleric Druid Sorcerer Warlock Ranger Paladin
Duration	1 hour

## SEEMING Lv 5

Range	30 ft	Wizard Bard Cleric Druid Sorcerer Warlock Ranger Paladin
Duration	8 hours	
Casting Time	1 action	

With a wave, the band of dwarves is now a band of goblins

This spell allows you to change the appearance of any number of creatures that you can see within range. You give each target a new, illusory appearance. An unwilling target can make a Charisma saving throw to avoid the effect. You can't change a target's body type, so you must choose a form that has the same basic arrangement of limbs. Otherwise, the extent of the illusion is up to you. The changes wrought by this spell fail to hold up to physical inspection.

A creature can use its action to inspect a target and make an Intelligence (Investigation) check against your spell save DC. If it succeeds, it becomes aware that the target is disguised.

PHB 274\*

## SENDING Lv 3

Range	Unlimited	Wizard Bard Cleric Druid Sorcerer Warlock Ranger Paladin
Duration	1 round

"A single message can destroy an empire"

You send a short message of twenty five words or less to a creature with which you are familiar. The creature hears the message in its mind, recognizes you as the sender if it knows you, and can answer in a like manner immediately. The spell enables creatures with Intelligence scores of at least 1 to understand the meaning of your message.

You can send the message across any distance and even to other planes of existence, but if the target is on a different plane than you, there is a 5 percent chance that the message doesn't arrive.

PHB 274

## SEQUESTER Lv 7

Range	Touch	Wizard Bard Cleric Druid Sorcerer Warlock Ranger Paladin
Duration	Until dispelled	
Casting Time	1 action	Sorcerer Warlock

Your magics seal a target away in suspended animation

By means of this spell, a willing creature or an object can be hidden away, safe from detection for the duration. When you cast the spell and touch the target, it becomes invisible and can't be targeted by divination spells or perceived through scrying sensors created by divination spells. If the target is a creature, it falls into a state of suspended animation. Time ceases to flow for it, and it doesn't grow older.

You can set a condition for the spell to end early. The condition can be anything you choose, but it must occur or be visible within 1 mile of the target. Examples include "after 1,000 years" or "when the tarrasque awakens." This spell also ends if the target takes any damage.

PHB 274

## SHAPECHANGE Lv 9

Range	Self	Wizard Bard Cleric Druid Sorcerer Warlock Ranger Paladin
Duration	1 hour

You shift your form into a creature of your choosing

You assume the form of a different creature for the duration. The new form can be of any creature with a challenge rating equal to your level or lower and you must have seen the sort of creature at least once. Your game statistics are replaced by the statistics of the chosen creature, but retain your alignment and mental abilities. You also retain all of your skill and saving throw proficiencies. You assume the hit points and Hit Dice of the new form. You retain the benefit of any features from your class, race, or other source and can use them, provided that your new form is physically capable of doing so. The GM determines whether it is practical for the new form to wear a piece of equipment, based on the creature's shape and size.

"Turn it up to 11!"

A sudden loud ringing noise, painfully intense, erupts from a point of your choice within range. Each creature in a 10 foot radius sphere centered on that point must make a Constitution saving throw. A creature takes 3d8 thunder damage on a failed save, or half as much damage on a successful one. A creature made of inorganic material such as stone, crystal, or metal has disadvantage.

A nonmagical object that isn't being worn or carried also takes the damage if it's in the spell's area.

**At Higher Levels.** When you cast this spell using a spell slot of 3rd level or higher, the damage increases by 1d8 for each slot level above 2nd.

Physical interaction with the image reveals it to be an illusion, because things can pass through it. Starting with the creature that has the lowest current hit points, each creature affected by this spell falls unconscious until the spell ends, the sleeper takes damage, or someone uses an action to shake or slap the sleeper awake.

Undead and creatures immune to being charmed aren't affected by this spell.

The area is heavily obscured, and exposed flames in the area are doused. The ground in the area is covered with slick ice, making it difficult terrain. When a creature enters the spell's area for the first time on a turn or starts its turn there, it must make a Dexterity saving throw. On a failed save, it falls prone.

If a creature is concentrating in the spell's area, the creature must make a successful Constitution saving throw against your spell save DC or lose concentration.

PHB 276

## SLOW Lv 3

Range	120 ft	Wizard
Duration	 1 minute	Bard
Casting Time	1 action	Cleric
		Druid
		Sorcerer

		Paladin

Time's pendulum slows for the creatures in the area

You alter time around up to six creatures of your choice in a 40 foot cube within range. Each must succeed on a Wisdom saving throw or be affected. It's speed is halved and it takes a -2 penalty to AC and Dexterity saving throws, and can't use reactions. On its turn, it can use either an action or a bonus action, not both. It can't make more than one melee or ranged attack during its turn. If the creature attempts to cast a spell with a casting time of 1 action, roll a d20. On an 11 or higher, the spell doesn't take effect until the creature's next turn, and the creature must use its action on that turn to complete the spell. If it can't, the spell is wasted. A creature affected by this spell makes another Wisdom saving throw at the end of its turn. On a successful save, the effect ends for it.

The knowledge and awareness of many beasts is limited by their intelligence, but at minimum, beasts can give you information about nearby locations and monsters, including whatever they can perceive or have perceived within the past day. You might be able to persuade a beast to perform a small favor for you, at the GM's discretion.

Dead men do tell tales

You grant the semblance of life and intelligence to a corpse of your choice within range, allowing it to answer the questions you pose. The corpse must still have a mouth and can't be undead.

Until the spell ends, you can ask the corpse up to five questions. The corpse knows only what it knew in life. Answers are usually brief, cryptic, or repetitive, and the corpse is under no compulsion to offer a truthful answer. This spell doesn't return the creature's soul to its body, only its animating spirit. Thus, the corpse can't learn new information, doesn't comprehend anything that has happened since it died, and can't speculate about future events.

You can also turn difficult terrain caused by plant growth into ordinary terrain. Or you can turn ordinary terrain where plants are present into difficult terrain that lasts for the duration. Plants might be able to perform other tasks on your behalf, at the GM's discretion. The spell doesn't enable plants to uproot themselves and move about. If a plant creature is in the area, you can communicate with it as if you shared a common language, but you gain no magical ability to influence it. Each creature that is completely within the cloud at the start of its turn must make a Constitution saving throw against poison. On a failed save, the creature spends its action that turn retching and reeling. Creatures that don't need to breathe or are immune to poison automatically succeed on this saving throw.

The suggestion must be worded in such a manner as to make the course of action sound reasonable, an obviously harmful act ends the spell. The target must make a Wisdom saving throw to resist the effect. You can also specify conditions that will trigger a special activity during the duration. For example, you might suggest that a knight give her warhorse to the first beggar she meets. If the condition isn't met before the spell expires, the activity isn't performed.

If you or any of your companions damage the target, the spell ends.
